| HDR                | Yes       |
| MEMC               | No        |
| Super Resolution   | Yes       |

## Video

|                  |                                             |
|------------------|---------------------------------------------|
| Dolby Vision HDR | No                                          |
| HDR              | Yes                                         |
| MEMC             | No                                          |
| Super Resolution | Yes                                         |
| Micro Dimming    | Yes                                         |
| UHD Upscaler     | No                                          |
| Picture Modes    | Dynamic, Game,Sports, Cinema, Natural, User |

## Sound

|                          |                   |
|--------------------------|-------------------|
| Dolby Atmos              | DAP               |
| Audio Output Power (RMS) | 2x8W RMS(%10 THD) |
| Dolby Audio              | Yes               |
| DTS Decoder              | No                |
| Sound Modes              | Yes               |
| Equalizer                | 5 band            |
| Dual Audio               | Yes               |

## Smart TV Features

|                                  |          |
|----------------------------------|----------|
| Netflix                          | Yes      |
| Netflix 4K                       | No       |
| Prime Video                      | Yes      |
| Youtube                          | Yes      |
| Youtube 4K                       | No       |
| Google Play Store                | No       |
| Google Play Movies               | No       |
| Web Browser                      | Yes      |
| Internal Wifi                    | Yes      |
| Bluetooth                        | No       |
| Built in Alexa with embedded mic | No       |
| Amazon Works with Alexa          | No       |
| Ok Google                        | No       |
| Works with Ok Google             | No       |
| Screen Mirroring (Miracast)      | Yes      |
| Built in Chromecast              | No       |
| AVS                              | Yes(AVS) |
| HBBTV                            | HbbTV    |

## Connections

|                          |           |
|--------------------------|-----------|
| HDMI                     | 2 HDMI    |
| USB                      | 1 USB     |
| CI+                      | CI+       |
| Ethernet                 | Yes       |
| Headphone out            | Yes       |
| VGA (PC in - D-Sub15)    | Yes       |
| Scart                    | Via RCA   |
| Digital Audio Output     | OPTIC OUT |
| Component (YPbPr) in     | via VGA   |
| Composite Video/Audio in | Yes       |

## Tuner/Broadcasting

|                                           |             |
|-------------------------------------------|-------------|
| Antenna Input                             | Yes         |
| Tuner Type                                | DVB-T2/C/S2 |
| Hybrid Log Gamma (HLG)                    | Yes         |
| HEVC (H.265) Decoder                      | Yes         |
| Electronic Program Guide (EPG)            | Yes         |
| Program Storage Capacity (Analog)         | 200         |
| Program Storage Capacity (Digital S/S2)   | 7000        |
| Program Storage Capacity (Digital T/T2/C) | 800         |
| Auto Search                               | Yes         |
| Dual Tuner                                | No          |

## Other Features

|                               |                                                                                                                                                                                                                                                                                                                                                                   |
