

- 7 Kg Capacidad
- Eficiencia Energética B
- Camisas 12'
- Smart Tumbling
- Luz Interior

### Key Features

|                       |          |
|-----------------------|----------|
| Color                 | Blanco   |
| Type of motor         | PSC      |
| Compressor motor type | No       |
| Number of Programs    | 15       |
| Capacity              | 7        |
| Energy efficiency     | B        |
| Sensor Drying System  | Si       |
| Smart Tumbling        | Si       |
| Door Type             | Plástico |

## Other Features

|                                   |             |
|-----------------------------------|-------------|
| End of cycle alarm                | Si          |
| End of program alarm deactivation | Si          |
| Anti-wrinkle function             | Si          |
| Time Remaining Indicator          | Si          |
| Reversible Door                   | No          |
| Filter Full Indicator             | Si          |
| Full Water Tank Indicator         | Si          |
| Condenser Cleaning Indicator      | Si          |
| Dry cycle indicator               | Si          |
| Door Hinge Position               | Derecha     |
| Water Tank Position               | Arriba      |
| Energy Class Condensation         | B           |
| Sound level                       | 65          |
| Height adjustable feet            | Si          |
| Display Type                      | LED         |
| Safety Classification             | Clase B     |
| Interior Light                    | Si          |
| Failure Detection System          | Si          |
| Control system                    | Electrónico |
| Drying level adjustment           | Si          |
| Cuba Gentle                       | Si          |
| Swing Cabin                       | Si          |
| Delay start                       | Si          |
| Cuba material                     | Galvanizado |
| Children's Block                  | Si          |

## Dimensions and Weight

Product Dimensions (HeightxWidthxDepth) 845x596x563

|                                                             |             |
|-------------------------------------------------------------|-------------|
| Dimensions Packed Product (shrink)<br>(HeightxWidthxDepth)) | 881x641x592 |
|-------------------------------------------------------------|-------------|

|            |      |
|------------|------|
| Net weight | 35,2 |
|------------|------|

|              |      |
|--------------|------|
| Gross weight | 36,7 |
|--------------|------|

## Power, Consumption, & Voltage

|                  |    |
|------------------|----|
| Electric current | 16 |
|------------------|----|

|                     |                  |
|---------------------|------------------|
| Voltage / Frequency | 220-240V / 50 Hz |
|---------------------|------------------|

|             |      |
|-------------|------|
| Rated power | 2700 |
|-------------|------|

|                           |     |
|---------------------------|-----|
| Annual energy consumption | 504 |
|---------------------------|-----|

|                                |    |
|--------------------------------|----|
| Weighted Condensing Efficiency | 81 |
|--------------------------------|----|

## Programs

|           |                    |
|-----------|--------------------|
| Program 1 | Algodón Extra Seco |
|-----------|--------------------|

|           |                            |
|-----------|----------------------------|
| Program 2 | Algodón listo para guardar |
|-----------|----------------------------|

|           |                             |
|-----------|-----------------------------|
| Program 3 | Algodón listo para planchar |
|-----------|-----------------------------|

|           |                              |
|-----------|------------------------------|
| Program 4 | Sintético listo para guardar |
|-----------|------------------------------|

|           |                               |
|-----------|-------------------------------|
| Program 5 | Sintético listo para planchar |
|-----------|-------------------------------|

|           |          |
|-----------|----------|
| Program 6 | Delicado |
|-----------|----------|

|           |     |
|-----------|-----|
| Program 7 | Mix |
|-----------|-----|

|           |                  |
|-----------|------------------|
| Program 8 | Cuidado del Bebé |
|-----------|------------------|

|           |          |
|-----------|----------|
| Program 9 | Vaqueros |
|-----------|----------|

|            |        |
|------------|--------|
| Program 10 | 60 min |
|------------|--------|

|            |        |
|------------|--------|
| Program 11 | 30 min |
|------------|--------|

|            |        |
|------------|--------|
| Program 12 | 10 min |
|------------|--------|

|            |           |
|------------|-----------|
| Program 13 | Refrescar |
|------------|-----------|

|            |            |
|------------|------------|
| Program 14 | Rápido 29' |
|------------|------------|

|            |             |
|------------|-------------|
| Program 15 | Camisas 12' |
|------------|-------------|
